This matter was up before the E.D.B. at one of its recent meetings & I think it was resolved to consult the Heads of D.Bs in the matter. This may be verified by reference to the Secrett. There is no objection to the D.Cs being consulted in the matter as far as they are concerned however in addition to Municipal institutions are interested in the matter.

NOTE—Contn. sheet

Letter No.1243 dated Bangalore, the 16th December 1921 from the Secretary, Board of Agriculture, Bangalore, to the Secretary to Government, Revenue Department, Bangalore.

***

I am directed to forward herewith for the orders of Government an extract from the proceedings of the Board of Agriculture dated 19th November 1921, together with the minutes of the Live Stock Sub Committee in regard to the adoption of a set of rules for the regulations and conduct of cattle shows and fairs in the State.

It is a matter of common knowledge that these shows and fairs are at present not run on any uniform or recognised basis through-out the State and that they do not furnish much scope for any appreciable local improvements of a permanent nature beyond providing a market for the sale of cattle during jatras and fairs in connection with which they are generally organised and bringing some small addition to the Ruzrai and other -- institutions concerned.

3. The need for remedying the existing defects and for turning the occasions to the best advantage of the rural populations was long recognised by the Board and a Special Sub Committee composed of the Live Stock Expert, the Superintendent of the Civil Veterinary Department, Mr. Nadig Lakshmana Rao and the Secretary to the Board was entrusted with the drafting of a set of rules for governing the shows and fairs for the guidance of those responsible for their organisation and conduct.

4. Both the Live Stock Sub Committee and the Agricultural Board have discussed the scheme in great detail on more than one occasion and have also had the advantage of consulting the -- Bombay Rules in this behalf.

5. The rules as finally approved of by the Board, a copy of which is hereto annexed, are sufficiently comprehensive and provide for a Standing Committee of Management, adequate arrangements for preventing diseases and veterinary treatment of animals and above all for the building up of a permanent fund out of the proceeds of the show or fair for utilisation towards the improvement

of cattle.

6. I am in conclusion to request that you may be so good as to obtain the early sanction of Government to the Scheme with a view to its being brought into effect as early as possible.
